**I. SUMMARY**

1. This is a civil rights action by plaintiff GERARDO HERNANDEZ ("Plaintiff") for discrimination at the building, structure, facility, complex, property, land, development, and/or surrounding business complex known as:

Western Dental  
3055 Mowry Avenue  
Fremont, California 94538  
(hereafter "the Facility")

2. Plaintiff seeks damages, injunctive and declaratory relief, attorney fees and costs, against WESTERN DENTAL SERVICES, INC. and GEORGE FREDERICK

1 EMANUELS, III, Trustee of THE EMANUELS DESCENDANT’S TRUST DATED JUNE  
2 16, 1986 (hereinafter collectively referred to as “Defendants”), pursuant to Title III of the  
3 Americans with Disabilities Act of 1990 (42 U.S.C. §§ 12101 et seq.) (“ADA”) and related  
4 California statutes.

## 5 **II. JURISDICTION**

6 3. This Court has original jurisdiction under 28 U.S.C. §§ 1331 and 1343 for ADA  
7 claims.

8 4. Supplemental jurisdiction for claims brought under parallel California law –  
9 arising from the same nucleus of operative facts – is predicated on 28 U.S.C. § 1367.

10 5. Plaintiff’s claims are authorized by 28 U.S.C. §§ 2201 and 2202.

## 11 **III. VENUE**

12 6. All actions complained of herein take place within the jurisdiction of the United  
13 States District Court, Northern District of California, and venue is invoked pursuant to 28  
14 U.S.C. § 1391(b), (c).

## 15 **IV. PARTIES**

16 7. Defendants own, operate, and/or lease the Facility, and consist of a person (or  
17 persons), firm, and/or corporation.

18 8. Plaintiff is substantially limited in his ability to walk, and must use a wheelchair  
19 for mobility. Consequently, Plaintiff is “physically disabled,” as defined by all applicable  
20 California and United States laws, and a member of the public whose rights are protected by  
21 these laws.

## 22 **V. FACTS**

23 9. The Facility is open to the public, intended for non-residential use, and its  
24 operation affects commerce. The Facility is therefore a public accommodation as defined by  
25 applicable state and federal laws.

26 10. Plaintiff lives less than fifteen miles from the Facility and visited the Facility on  
27 or about August 29, 2022 for dental treatment. During his visit to the Facility, Plaintiff  
28 personally encountered barriers (both physical and intangible) that interfered with, if not

1 outright denied, Plaintiff's ability to use and enjoy the goods, services, privileges and  
2 accommodations offered at the Facility. These barriers include, but are not necessarily limited  
3 to, the following:

- 4 a) Although Plaintiff could not park in the designated accessible parking  
5 stall at the Facility as it was already occupied upon his arrival, he  
6 observed that the access aisle next to the designated accessible parking  
7 stall is too narrow and it contains excessive slopes and height changes.  
8 Plaintiff requires a properly configured accessible parking stall with  
9 sufficient clear space next to his vehicle within which to transfer to and  
10 from his wheelchair. Plaintiff had to park in a standard parking stall  
11 which lacked an access aisle and also had a sloped surface, which made  
12 it difficult for him to unload from his vehicle. He knows that it would be  
13 similarly difficult for him to use the designated accessible parking stall  
14 due to the narrow access aisle and uneven surface.
- 15 b) The operating pressure and closing speed of the Facility entrance door  
16 are not properly adjusted and maintained. As a result, it was difficult for  
17 Plaintiff to open the door and wheel through before it closed on him.
- 18 c) The patient treatment and x-ray chairs are not accessible. The treatment  
19 chair and x-ray chair both lacked sufficient clear space next to them for  
20 Plaintiff to position his wheelchair. As a result, it was difficult for  
21 Plaintiff to transfer to and from the chairs. No equivalent facilitation was  
22 provided that would allow Plaintiff to obtain dental services without  
23 having to transfer to the treatment or x-ray chairs.

24 11. There may exist other barriers at the Facility which relate to Plaintiff's  
25 disabilities, and he will seek to amend this Complaint once such additional barriers are  
26 identified as it is Plaintiff's intention to have all barriers which exist at the Facility and relate to  
27 his disabilities removed to afford him full and equal access.

28 //

1           12. Plaintiff was, and continues to be, deterred from visiting the Facility because  
2 Plaintiff knows that the Facility's goods, services, facilities, privileges, advantages, and  
3 accommodations were and are unavailable to Plaintiff due to Plaintiff's physical disabilities.  
4 Plaintiff needs to schedule another appointment for dental cleaning, but is deterred from  
5 returning to the Facility because of his knowledge that the Facility is not accessible to him.  
6 Plaintiff enjoys the goods and services offered at the Facility, and will return to the Facility  
7 once the barriers are removed.

8           13. Defendants knew, or should have known, that these elements and areas of the  
9 Facility were inaccessible, violate state and federal law, and interfere with (or deny) access to  
10 the physically disabled. Moreover, Defendants have the financial resources to remove these  
11 barriers from the Facility (without much difficulty or expense), and make the Facility  
12 accessible to the physically disabled. To date, however, Defendants refuse to either remove  
13 those barriers or seek an unreasonable hardship exemption to excuse non-compliance.

14           14. At all relevant times, Defendants have possessed and enjoyed sufficient control  
15 and authority to modify the Facility to remove impediments to wheelchair access and to  
16 comply with the 1991 ADA Accessibility Guidelines and/or the 2010 ADA Standards for  
17 Accessible Design. Defendants have not removed such impediments and have not modified the  
18 Facility to conform to accessibility standards. Defendants have intentionally maintained the  
19 Facility in its current condition and have intentionally refrained from altering the Facility so  
20 that it complies with the accessibility standards.

21           15. Plaintiff further alleges that the (continued) presence of barriers at the Facility is  
22 so obvious as to establish Defendants' discriminatory intent. On information and belief,  
23 Plaintiff avers that evidence of this discriminatory intent includes Defendants' refusal to adhere  
24 to relevant building standards; disregard for the building plans and permits issued for the  
25 Facility; conscientious decision to maintain the architectural layout (as it currently exists) at the  
26 Facility; decision not to remove barriers from the Facility; and allowance that Defendants'  
27 property continues to exist in its non-compliant state. Plaintiff further alleges, on information  
28 and belief, that the Facility is not in the midst of a remodel, and that the barriers present at the

Facility are not isolated or temporary interruptions in access due to maintenance or repairs.

## VI. FIRST CLAIM

### Americans with Disabilities Act of 1990

#### Denial of “Full and Equal” Enjoyment and Use

16. Plaintiff re-pleads and incorporates by reference the allegations contained in each of the foregoing paragraphs, and incorporates them herein as if separately re-pled.

17. Title III of the ADA holds as a “general rule” that no individual shall be discriminated against on the basis of disability in the full and equal enjoyment (or use) of goods, services, facilities, privileges, and accommodations offered by any person who owns, operates, or leases a place of public accommodation. 42 U.S.C. § 12182(a).

18. Defendants discriminated against Plaintiff by denying Plaintiff “full and equal enjoyment” and use of the goods, services, facilities, privileges and accommodations of the Facility during each visit and each incident of deterrence.

#### Failure to Remove Architectural Barriers in an Existing Facility

19. The ADA specifically prohibits failing to remove architectural barriers, which are structural in nature, in existing facilities where such removal is readily achievable. 42 U.S.C. § 12182(b)(2)(A)(iv).

20. When an entity can demonstrate that removal of a barrier is not readily achievable, a failure to make goods, services, facilities, or accommodations available through alternative methods is also specifically prohibited if these methods are readily achievable. *Id.* § 12182(b)(2)(A)(v).

21. Here, Plaintiff alleges that Defendants can easily remove the architectural barriers at the Facility without much difficulty or expense, that the cost of removing the architectural barriers does not exceed the benefits under the particular circumstances, and that Defendants violated the ADA by failing to remove those barriers, when it was readily achievable to do so.

//

//

22. In the alternative, if it was not “readily achievable” for Defendants to remove the Facility’s barriers, then Defendants violated the ADA by failing to make the required services available through alternative methods, which are readily achievable.

Failure to Design and Construct an Accessible Facility

23. Plaintiff alleges on information and belief that the Facility was designed and constructed (or both) after January 26, 1993 – independently triggering access requirements under Title III of the ADA.

24. The ADA also prohibits designing and constructing facilities for first occupancy after January 26, 1993, that aren’t readily accessible to, and usable by, individuals with disabilities when it was structurally practicable to do so. 42 U.S.C. § 12183(a)(1).

25. Here, Defendants violated the ADA by designing and constructing (or both) the Facility in a manner that was not readily accessible to the physically disabled public – including Plaintiff – when it was structurally practical to do so.<sup>1</sup>

Failure to Make an Altered Facility Accessible

26. Plaintiff alleges on information and belief that the Facility was modified after January 26, 1993, independently triggering access requirements under the ADA.

27. The ADA also requires that facilities altered in a manner that affects (or could affect) its usability must be made readily accessible to individuals with disabilities to the maximum extent feasible. 42 U.S.C. § 12183(a)(2). Altering an area that contains a facility’s primary function also requires making the paths of travel, bathrooms, telephones, and drinking fountains serving that area accessible to the maximum extent feasible. *Id.*

28. Here, Defendants altered the Facility in a manner that violated the ADA and was not readily accessible to the physically disabled public – including Plaintiff – to the maximum extent feasible.

//

//

---

<sup>1</sup> Nothing within this Complaint should be construed as an allegation that Plaintiff is bringing this action as a private attorney general under either state or federal statutes.

Failure to Modify Existing Policies and Procedures

29. The ADA also requires reasonable modifications in policies, practices, or procedures, when necessary to afford such goods, services, facilities, or accommodations to individuals with disabilities, unless the entity can demonstrate that making such modifications would fundamentally alter their nature. 42 U.S.C. § 12182(b)(2)(A)(ii).

30. Here, Defendants violated the ADA by failing to make reasonable modifications in policies, practices, or procedures at the Facility, when these modifications were necessary to afford (and would not fundamentally alter the nature of) these goods, services, facilities, or accommodations.

Failure to Maintain Accessible Features

31. Defendants additionally violated the ADA by failing to maintain in operable working condition those features of the Facility that are required to be readily accessible to and usable by persons with disabilities.

32. Such failure by Defendants to maintain the Facility in an accessible condition was not an isolated or temporary interruption in service or access due to maintenance or repairs.

33. Plaintiff seeks all relief available under the ADA (i.e., injunctive relief, attorney fees, costs, legal expense) for these aforementioned violations. 42 U.S.C. § 12205.

34. Plaintiff seeks a finding from this Court (i.e., declaratory relief) that Defendants violated the ADA in order to pursue damages under California's Unruh Civil Rights Act.

**VII. SECOND CLAIM**

**Unruh Act**

35. Plaintiff re-pleads and incorporates by reference the allegations contained in each of the foregoing paragraphs, and incorporates them herein as if separately re-pled.

36. California Civil Code § 51 states, in part, that: All persons within the jurisdiction of this state are entitled to the full and equal accommodations, advantages, facilities, privileges, or services in all business establishments of every kind whatsoever.

//

37. California Civil Code § 51.5 also states, in part that: No business establishment of any kind whatsoever shall discriminate against any person in this state because of the disability of the person.

38. California Civil Code § 51(f) specifically incorporates (by reference) an individual's rights under the ADA into the Unruh Act.

39. Defendants' aforementioned acts and omissions denied the physically disabled public – including Plaintiff – full and equal accommodations, advantages, facilities, privileges and services in a business establishment (because of their physical disability).

40. These acts and omissions (including the ones that violate the ADA) denied, aided or incited a denial, or discriminated against Plaintiff by violating the Unruh Act.

41. Plaintiff was damaged by Defendants' wrongful conduct, and seeks statutory minimum damages of \$4,000 for each offense.

42. Plaintiff also seeks to enjoin Defendants from violating the Unruh Act (and ADA), and recover reasonable attorneys' fees and costs incurred under California Civil Code § 52(a).

### **VIII. THIRD CLAIM**

#### **Denial of Full and Equal Access to Public Facilities**

43. Plaintiff re-pleads and incorporates by reference the allegations contained in each of the foregoing paragraphs, and incorporates them herein as if separately re-pled.

44. Health and Safety Code § 19955(a) states, in part, that: California public accommodations or facilities (built with private funds) shall adhere to the provisions of Government Code § 4450.

45. Health and Safety Code § 19959 states, in part, that: Every existing (non-exempt) public accommodation constructed prior to July 1, 1970, which is altered or structurally repaired, is required to comply with this chapter.

46. Plaintiff alleges the Facility is a public accommodation constructed, altered, or repaired in a manner that violates Part 5.5 of the Health and Safety Code or Government Code § 4450 (or both), and that the Facility was not exempt under Health and Safety Code § 19956.

47. Defendants' non-compliance with these requirements at the Facility aggrieved (or potentially aggrieved) Plaintiff and other persons with physical disabilities. Accordingly, Plaintiff seeks injunctive relief and attorney fees pursuant to Health and Safety Code § 19953.

# **IX. PRAYER FOR RELIEF**

WHEREFORE, Plaintiff prays judgment against Defendants, and each of them, for:

1. Injunctive relief, preventive relief, or any other relief the Court deems proper.
2. Statutory minimum damages under section 52(a) of the California Civil Code according to proof.
3. Declaratory relief finding that Defendants violated the ADA for the purposes of Unruh Act damages.
4. Attorneys' fees, litigation expenses, and costs of suit.<sup>2</sup>
5. Interest at the legal rate from the date of the filing of this action.
6. For such other and further relief as the Court deems proper.
